VERSE
```
                G                        Bm
All who are thirsty, all who are weak
                      Csus2
Just come to the fountain
                                  Am      G/B  Csus2
And dip your heart in the stream   of     life
                          G
Let the pain and the sorrow
               Bm
Be washed away
                       Csus2
In the waves of His mercy
                     Am   G/B  Csus2
As the deep cries out    to     deep
```

CHORUS

               G                    Csus2
(We sing)  Come Lord Jesus, come
